Silvertone Collectible Tube Radios 1930-1949 for sale | eBay  
Sears started selling Silvertone radios around the early  
1920s. After the success of the radios, Sears also began  
selling tubes and batteries for the Silvertone radio line. The  
radios became very popular during WWII in the 1940s as

Silvertone 7150 Radio Sears, Roebuck & Co.; Chicago IL, built  
Look for round dials, many with the image of a globe or the word “ Silvertone ” inscribed on the dial itself. These are indicative of dials made between 1931 and 1940 by Silvertone. The plates for dials during this time were less ornate and more streamlined. Later models also featured a rectangular dial with the word “ Silvertone ” written on it.
