Happy New Almanac Year! It's time to celebrate the 230th edition of The Old Farmer's Almanac! Long recognized as North America's most-beloved and best-selling annual, this handy yellow book fulfills every need and expectation as a calendar of the heavens, a time capsule of the year, an essential reference that reads like a magazine. Always timely, topical, and distinctively "useful, with a pleasant degree of humor," the Almanac is consulted daily throughout the year by users from all walks of life. The 2022 edition contains the fun facts, predictions, and feature items that have made it a cultural icon: traditionally 80 percent–accurate weather forecasts; notable astronomical events and time-honored astrological dates; horticultural, culinary, fashion, and other trends; historical hallmarks; best fishing days; time- and money-saving garden advice; recipes for delicious dishes; facts on folklore, farmers, home remedies, and husbandry; amusements and contests; plus too much more to mention—all in the inimitable Almanac style that has charmed and educated readers since 1792.

* Photographer and longtime Japan resident captures stunning images of Japan's many UNESCO World Heritage sites* Stunning full-color photographs* Preface by Pico IyerAuthor and photographer John Lander takes the magnificent UNESCO World Heritage sites of Japan as a starting point for exploring the country's architecture, history, customs and festivals. Lander, who has lived in Japan for 35 years, traveled to almost all the country's UNESCO sites: from well-known places like Mount Fuji to hidden temple gardens and hard-to-reach wild islands. This book also includes cultural elements listed as intangible world heritage, providing intimate portraits of Japanese cuisine, crafts and performance arts. With a lyrical preface by Pico Iyer and illustrated with over 180 full-color photographs, World Heritage Japan is Lander's personal photographic tribute to a diverse and ancient culture - a stunning visual journey across Japan.

Learn how to buy, style, and present seasonal flower arrangements for every occasion. With sections on tools, flower care, and design techniques, Floret Farm's A Year in Flowers presents all the secrets to arranging garden-fresh bouquets. Featuring expert advice from Erin Benzakein, world-renowned flower farmer, floral designer, and bestselling author of Floret Farm: Cut Flower Garden, this book is a gorgeous and comprehensive guide to everything you need to make your own incredible arrangements all year long, whether harvesting flowers from the backyard or shopping for blooms at the market. • Includes an A–Z flower guide with photos and care tips for more than 200 varieties. • Simple-to-follow advice on flower care, material selection, and essential design techniques • More than 25 how-to projects, including magnificent centerpieces, infinitely giftable posies, festive wreaths, and breathtaking bridal bouquets Floret Farm's A Year in Flowers offers advice on every phase of working with cut flowers—including gardening, buying, caring for, and arranging fresh flowers. Brimming with indispensable tips and hundreds of vibrant photographs, this book is an invitation to live a flower-filled life and perfect for anyone who loves flowers. • The definitive guide to flower arranging from the biggest star in the farm-to-centerpiece movement • Perfect for flower lovers, avid and novice gardeners, floral designers, wedding planners, florists, small farmers, stylists, designers, crafters, and those passionate about the local floral movement • For those who loved Floret Farm's Cut Flower Garden by Erin Benzakein, The Flower Recipe Book by Alethea Harampolis, Seasonal Flower Arranging by Ariella Chezar, and The Flower Chef by Carly Cylinder

It's another new year celebrating everything under the Sun, including the Moon, with The Old Farmer's Almanac, America's oldest continuously published periodical! Always timely, topical, and distinctively "useful, with a pleasant degree of humor," the Almanac has been beloved for centuries by people from all walks of life. As the nation's iconic calendar, the 2019 edition will forecast cultural, culinary, and other life-changing trends; preview notable astronomical events; provide time- and money-saving tips for gardeners of all varieties; set the hook for best fishing days; forecast traditionally 80 percent–accurate weather; and cover a range of related topics, including anniversaries, folklore, husbandry, home remedies, recipes, amusement, contests, and more—too much more to mention—all in the inimitable way it has done since 1792.

Happy New Almanac Year! It's time to celebrate the 229th edition of The Old Farmer's Almanac! Long recognized as North America's most-beloved and best-selling annual, the handy yellow book fulfills every need and expectation as a calendar of the heavens, a time capsule of the year, an essential reference that reads like a magazine. Always timely, topical, and distinctively "useful, with a pleasant degree of humor," the Almanac is consulted daily by users from all walks of life, throughout the year. The 2021 edition contains the fun facts, predictions, and feature items that have made it a cultural icon: traditionally 80 percent–accurate weather forecasts; notable astronomical events and time-honored astrological dates; horticultural, culinary, fashion, and other trends; historical hallmarks; best fishing days; time- and money-saving garden advice; recipes for refreshment; facts on folklore, farmers, home remedies, and husbandry; amusements and contests, plus too much more to mention—all in the inimitable way that the Almanac has done since 1792. • Beloved by generations for being "useful, with a pleasant degree of humor," The Old Farmer's Almanac features everything under the Sun, including its much-in-demand long-range weather predictions, essential astronomical timetables, 2021 holidays, fascinating trends, best fishing days, valuable gardening information, tantalizing recipes, fun folklore, amusements, contests, and much more! • Exclusive: 32 reference pages, covering such popular topics as full Moon names, hurricane names, flowers that attract birds and butterflies, U.S./metric measurement conversions, and many more! • Includes 112 full-color pages

Provides weather predictions for the entire United States and includes such features as the best days for fishing, recipes from the Wild West, and tips for tightwads.

The Complete Book of Ferns is filled with botanical information, indoor and outdoor growing and care information, details on propagation, display ideas, and even craft projects. This gorgeous book is authored by Mobee Weinstein, the Foreman of Gardeners at the New York Botanical Garden in the Bronx and a veteran guest on the Martha Stewart Living TV show and other media outlets. Houseplants in general are in ascendance, but no category is hotter than ferns. From the otherworldly Staghorns—mounted like antler trophies in homes throughout the world—to the classic Boston Ferns and newer varieties like Crispy Wave, ferns are definitely back in fashion. And to no one's surprise. After all, ferns are among the very oldest plants on the planet, with a long and storied history. There are tens of thousands of known varieties of ferns. In the Victorian Era, ferns created an absolute craze for more than 50 years. They re-emerged as integral home décor accessories in the '50s and '60s, and who didn't spend time in a "Fern Bar" back in the '80s? And they are back again. This comprehensive reference starts its examination of ferns 400 million years ago, when the first species of this group of spore-reproducing plants appeared on Earth, exploring their evolution and eventual incorporation into human culture, including the powers associated with them and their practical and ornamental uses. Then, after an exploration of fern botany—its parts, how it grows, its variability in size and form, habitats, propagation, etc.—you'll learn how to green your indoor and outdoor environments with ferns. Every aspect of fern care is covered: potting/planting, watering, fertilizing, pest and disease control, and more. With this knowledge absorbed, explore creative planting projects, like terrariums, vertical gardens (living walls), mixed tabletop gardens, and moss baskets. To make your survey of ferns complete, create pressed fern art, fabric wall hangings with chlorophyll-stained designs, cyanotypes, and hand-made fern-decorated paper. In the end, you will understand why this ancient plant class continues to be all the rage.

Marys flowers by Vincenzina Krymow Illustrated by A. Joseph Barrish, S.M. With Meditations by M. Jean FriskSince medieval times, flowers have taken their names from the virtues of Mary, or events in her life. Learn the legends that fostered such names, and their biblical origins. Spend time with the meditations they inspire.Marys Flowers: Gardens, Legends and Meditations is a treasury of botanical history and lore. Thirty beautiful illustrations based on medieval woodcuts bring each bloom to colorful life. Even if you don't plant a Mary garden of your own, you will find a virtual Eden within. Visit awhile with these pages and keep company with Mary.
