Becoming a counselor is a path of lifelong opportunity. Here's the most up-to-date information on the intricate choices involved and skills needed to confidently make choices about a career in counseling. The book includes real-world advice on the time, education, money, and effort needed, as well as a chapter on online counseling, a newly emerging area of expertise. This is the definitive guide for every potential counselor seeking current answers to career questions and includes personal insights from professionals, information for adult students, a special section on online counseling, and clarification of similar career options.

The Gay Games is an important piece of new social history, examining one of the largest sporting, cultural and human rights events in the world. Since their inception in 1980, the Gay Games have developed into a multi-million dollar mega-event, engaging people from all continents, while the international Gay Games movement has become one of the largest and most significant international institutions for gay and lesbian people. Drawing on detailed archival research, oral history and participant observation techniques, and informed by critical feminist theory and queer theory, this book offers the first comprehensive history of the Gay Games from 1980 through to the Chicago games of 2006. It explores the significance of the Games in the context of broader currents of gay and lesbian history, and addresses a wide range of key contemporary themes within sports studies, including the cultural politics of sport, the politics of difference and identity, and the rise of sporting mega-events. This book is important reading for any serious student of international sport or gender and sexuality studies.

From bestselling author Todd Parr, a poignant and reassuring story about loss. Through the lens of a pet fish who has lost his companion, Todd Parr tells a moving and wholly accessible story about saying goodbye. Touching upon the host of emotions children experience, Todd reminds readers that it's okay not to know all the answers, and that someone will always be there to support them. An invaluable resource for life's toughest moments.

The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

During the 1967 school year, on Wednesday afternoons when all his classmates go to either Catechism or Hebrew school, seventh-grader Holling Hoodhood stays in Mrs. Baker's classroom where they read the plays of William Shakespeare and Holling learns muchof value about the world he lives in.
