Harvard [Author-Date] Referencing Guide Academic writing requires you to read, research and refer to the work of other people. Each time you write about the ideas and words of others, it is necessary to identify their work by making reference to it. You do this both in the text of your assignments, and in a list at the end of these assignments.

**UTAS Harvard Referencing Guide | Citation | Systematic Review**

Harvard Referencing The School of Accounting and Corporate Governance uses the Harvard system of referencing. This system requires that when you cite another person's work, immediately after the use of the idea or words, within the text of your essay, you provide the following information: The name of the author (s);
